*References to "we", "us" or "our" are to Chandler Property Investments Ltd from which a buyer referred by you is intending to purchase a new apartment on our Forest Gate development. References to "you" and "your" are to the individual claiming this offer and who refers a potential buyer to us. You do not need to purchase a new apartment from us to qualify for this offer. This voucher entitles you as the named referrer to £500, which will be paid to you by bank transfer once your friend or family member who you refer to us as a potential buyer has legally completed on their qualifying new apartment purchase from us. You must have a bank account to claim this offer. Offer applies to the purchase of apartments on our Forest Gate development only. If the individual you refer to us does not complete a purchase of a qualifying apartment from us, you will not qualify for this offer. Recommendations of referrals by you to us of potential buyers of new apartments must be identified on their first visit to the John Ardern sales office. You can only claim this offer by completing an "introduce a friend" voucher. At the time of obtaining the "introduce a friend voucher" you must provide us with the full name and contact details for the individual(s) you wish to refer to us plus your full name and contact details. One "introduce a friend voucher" will be provided for each individual you refer to us. Only one "introduce a friend voucher" may be redeemed per purchase of a qualifying new apartment from us by any individuals referred by you and this includes where two or more individuals referred by you are joint buyers of a qualifying new home from us. However, if for example two different individuals referred by you each purchase qualifying apartments from us then you will be paid the £500 twice, once for each qualifying new apartment purchased from us. If the same individual referred by you purchases two or more qualifying new homes from us then only one payment of £500 applies, which would be on the first qualifying apartment they purchase. The individual referred to us by you must not already be on our database to qualify for this offer. If the same individual is referred to us more than once by different referrers, the first referral will take precedence.
